This year we are introducing two of our own seedlings which we feel are well worthy of a place in your gardens: ROYAL RAIMENT and BELATED GUEST. They have been tested out for several years now, and we feel sure they are of sufficient merit to deserve introduction.

ROYAL RAIMENT is a rich, velvety, dark blue purple self, very vigorous and floriferous, that can take the wind and the rain in its stride. A seedling of CHIVALRY and DANUBE WAVE and superior to both. \$10.00 each.

BELATED GUEST a late to very late, richer, brighter MEXICO with wider falls and very wide hafts. It is a better grower than MEXICO and a decided improvement on that fine variety. It came from a MEXICO X COPPER ROSE cross. \$10.00 each.

Two other outstanding seedlings now growing in our gardens that we shall introduce later when increase in stock justifies it are DAWN SPRITE and STRAIGHT AHEAD. Drop in and enjoy them with us.

All stock will be freshly dug from our own gardens under my personal supervision, and will be expertly packed and shipped out at once. It will be equal to the best Pacific Coast grown stock with the added advantage of being hardened to the rigors of our severe Midwestern climate. ALL ORDERS ACCEPTED SUBJECT TO PRIOR SALE OF STOCK.

VISITORS ALWAYS WELCOME.
